

Getting to the hotel:

Xenia Ave will be CLOSED to all traffic due to Yellow Springs Street Fair. All vendor traffic must enter from **Limestone St.**

Road closures highlighted in red:

The best way to get to the hotel is to approach from the south or west.

Directions:

From the south: Take US 68 North, bypass the "road closed ahead" signs at the village limits. You will be able to get to Limestone St, and turn right, then turn left into the hotel.

From the west: Take Dayton-Yellow Springs Rd towards Yellow Springs. At the "Y" intersection of Limestone St, take the right split. Follow this all the way through the village. You will be able to cross Xenia Ave at the traffic light, then turn left into the hotel.

From the north: Take US 68 South until the road closure at Corry St. Turn left at Corry St, go approx 2 blocks, turn right on Limestone St, then turn right into the hotel. This route will have heavy traffic due to the US 68 detour, so plan extra time or a different route if needed.
